This is an office action for serial number 10/509,928.

Response to Amendment

The reply filed on January 6, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant has not fully responded to the office action dated October 6, 2005 according to MPEP 714.02 of 37 CFR 1.111 (b). The applicant has not **distinctly pointed out how the claims render the new claims patentable over the applied references**. In order to be entitled to reconsideration or further examination, the applicant or patent owner must reply to the Office action. The reply by the applicant or patent owner must be reduced to a writing which distinctly and specifically points out the supposed errors in the a examiner's action and must reply to every ground of objection and rejection in the prior Office action. **The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied points out the supposed errors in the references**. If the reply is with respect to an application, a request may be made that objections or requirements as to form not necessary to further consideration of the claims be held in abeyance until allowable subject matter is indicated. See 37 CFR 1.111. Since

Art Unit: 3632

the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
